HHS Extends Deadline for Attestation, Acceptance of Terms and Conditions for Provider Relief Fund Payments to 45 Days

The Department of Health and Human Services has extended the deadline for healthcare providers to attest to receipt of payments from the Provider Relief Fund and accept the [Terms and Conditions](#). Providers will now have 45 days, increased from 30 days, from the date they receive a payment to attest and accept the Terms and Conditions or return the funds. As an example, the initial 30-day deadline for providers who received payment on April 10, 2020, is extended to May 24 from May 9, 2020. With the extension, not returning the payment within 45 days of receipt of payment will be viewed as acceptance of the Terms and Conditions.

President Trump is providing support to healthcare providers fighting the COVID-19 pandemic through the bipartisan *CARES Act* and *Paycheck Protection Program and Health Care Enhancement Act* which provide \$175 billion in relief funds to hospitals and other healthcare providers on the front lines of the coronavirus response. This funding will be used to support healthcare-related expenses or lost revenue attributable to COVID-19 and to ensure uninsured Americans can get treatment for COVID-19.

In allocating the funds, the Administration is working, among other things, to address both the economic harm across the entire healthcare system due to the stoppage of elective procedures, and addressing the economic impact on providers particularly impacted by COVID-19, and to do so as quickly and transparently as possible.

Visit hhs.gov/providerrelief for more information on the allocations. Recipients of payments from any of these allocations must attest and accept the Terms and Conditions within 45 days.
