Harris County Medical Society/Texas Medical Association
Interest Free Installment Agreement/Membership Payment Form

By choosing to pay in installments, I understand that the Texas Medical Association (TMA) will make the initial charge to my credit card during the next scheduled installment process and then charge my card monthly per the number of installments listed above. The monthly charge will appear on my credit card statements as TMA and the statement will act as a receipt. After your last payment for your 2021 HCMS membership is complete, HCMS/TMA will notify you of any dues or membership changes and automatically renew your membership in HCMS and TMA for the following year. The process will be repeated at the end of each membership year.

Once your payments for the 2021 membership have been completed, your monthly installment payments for the full year of 2022 will begin no earlier than October 1, 2021 (unless requested otherwise) and will end no later than Sept. 15, 2022. The same schedule will be maintained each year. By signing this form, you authorize the Texas Medical Association (TMA) to continue to charge your credit card per the terms above.

You can at any time resign from HCMS and TMA; however, monthly charges will continue until the end of your membership year. A resignation must be received in writing or faxed.

You agree to inform HCMS/TMA of any changes made to your credit card, such as a change in my account. If TMA is unable to successfully make a charge to your credit card, HCMS/TMA will contact you to make any changes or corrections to your record. After one month of non-payment your installment plan will be considered void, and you will be required to pay the balance in full immediately. If you have any questions, please contact HCMS at 713-524-4267.
